

Spring 2009 Producing Reel: This is a compilation of some of the work I have done as a producer over the last couple of years. It encompasses short films, documentaries, and a feature.

Evil Bread II: This is an award winning viral video produced by McDonalds & Flashpoint Academy. I served as cinematographer.

Young Voters in Chicago: This is a short documentary I produced and edited on four voters in Chicago leading up to Election Day in November 2008.
