

**Reel:**

*Car – Post It* commercial was created for Magnum Insurance and was aired on Telemundo.

*Louie Gee* is a music video that has been edited for the band Sexy Heroes. It is based on the characters from the Nintendo game, Super Mario.

*Navidades* was aired on Telemundo for ComEd and the Hispanic Christian Church Association. The goal was to gather as many toys as possible to give to families that could not afford them for Christmas.

**Synergage:**

This video was created to showcase the interactive websites that have been created by Synergage.com, interactive marketing.

**Food Enchantment:**

I edited this video for The San Jose Group in an effort to help them acquire new clients with specialties in food. I used videos that they had produced for their clients including Spam, Dominick's, and Herdez.

**Mix Up:**

*Mix up* was cut to the beat of the song and used some other Flashpoint student's work to create a collage. The footage used is under Flashpoint's shared agreement.

**Helium:**

*Helium* is a short story about a clown that gets accused of a sexual offense that he did not commit and he no longer finds any happiness in this world.

**Loud Coworker:**

Howcast, *How to Deal with a Loud Coworker*, was shot in one day and edited the next. The main focus of this video was to help find ways to deal with a loud coworker. This video was also featured on Youtube a few days after going live. *Accident – Ballerina* commercial was created for Magnum Insurance and was aired on Telemundo.
